

Summer Internship Programme 2017

5 WAYS to Cultivate a Meaningful Summer Break

Develop friendships with
bright peers studying
around the world

Take ownership in deriving
meaningful insights on a real
life challenge *(And possibly
have your recommendations
implemented!)*

Be empowered to
engage first-hand with
stakeholders in the public
and private sector to gain
insights into industry
development

Build networks with senior
economic leaders through
exclusive networking sessions

Immerse in a young and
dynamic environment, with
mentorship and guidance

If you are in your penultimate year, or at least 6 months away from graduation,
