www.tournoidelx.info

The staff's letter

Each year, the students at the Ecole Polytechnique are pleased to invite you to one of the most important academic judo tournaments in Paris: the Ecole Polytechnique Judo Tournament.

Since 1994, we have been organising a major judo team tournament and, for the fourth time this year, the competition will welcome foreign academic teams. As usual, the Ecole Polytechnique Judo Tournament hosts fights for all Judoka, from beginners to advanced competitors, in a friendly atmosphere. Official referees will control the competition. A large refreshment area will be at your disposal. And after the award ceremony a party will take place on Saturday night.

The same week-end, on February 6th and 7th, takes place the 2010 Paris International Tournament (TIVP), one of the most important judo competitions in the world. We offer you the possibility (including tickets and transportation) to go and watch the second part of the TIVP on Sunday in Paris.

Like last year, we expect fifty teams to be present, that is about two hundred judokas from all parts of Europe and beyond.

Sportively,

The Ecole Polytechnique judo club
