Format:

The British Judo Association rules will apply throughout the competition. The method of competition will be compound knockout in categories of 8 or more players and pools and crossover in categories of 7 players or less.

The Tournament Director reserves the right to combine or alter categories should entries dictate. In the event of any dispute, the decision of the Tournament Director will be final.

White Judogi only.

Competitors are not allowed to change anywhere other than in changing rooms.

Medals will be presented after each Group has completed, where possible.
